Justin started attacking us six years ago out of the blue. It continues to this day. We have all the receipts.

@I live under A Bridge That is the truth. I sent him a Granny badge with a sparkly note card forgiving him for the threats, curses and death wishes. I thanked him for the laughs. He refused it because I didn't put enough postage on it. The made up part was that it was a threat to his family. He follows my channel. He KNOWS Maggie and I send Granny badges to our guests and followers.
